## **DPG**

DPG is committed to accelerating the performance of organisations through innovative and award winning blended and digital learning solutions.

As a leading provider of Learning & Development and Human Resources, CIPD accredited qualifications and apprenticeships, DPG is a brand you can trust.

DPG are also the exclusive providers of the Kirkpatrick Certification in the UK. Offering both open and in-house programmes, the accreditation enables you to bridge the gap between Learning and Development, business impact, and performance.

Working with the UK's leading and forward thinking organisations, DPG's agile and customer centric culture, ensures a best in class experience for all.
